

## Some Possible Characters

Limit the numbers to four.

Expect there to be at least one main character and at least one subsidiary. The other two, if used, might fit in between in significance. You don't yet know the plot or undercurrent.

Can your characters steal the Plot or justify the Undercurrent?

Flesh out just the personalities of each in no more than forty words apiece.

Remember that not all of your words will have room in the story. Also remember you do not know what A, B, C and D might look like since you do not yet know the 'What If?'

A. - Hero. Villain. Victim. Bully. Husband. Wife.  
Something else?

B. - Villain. Hero. Bully. Victim. Wife. Husband.  
Something else?

C. - Agitator. Boss. Customer. Servant. Judge.  
Executioner. Something else?

D. - Conspirator. Thief. Soldier. Spy. Slave. Pet.  
Something else?
